1 Introduction

The *User Manual for Optional Trades Course Creation* is designed to provide information on, how the courses can be created by Establishments, TPA, Sector Skill Councils (SSC), and NSDC Admin and also list the additional functionalities with reference to the course in NAPS.

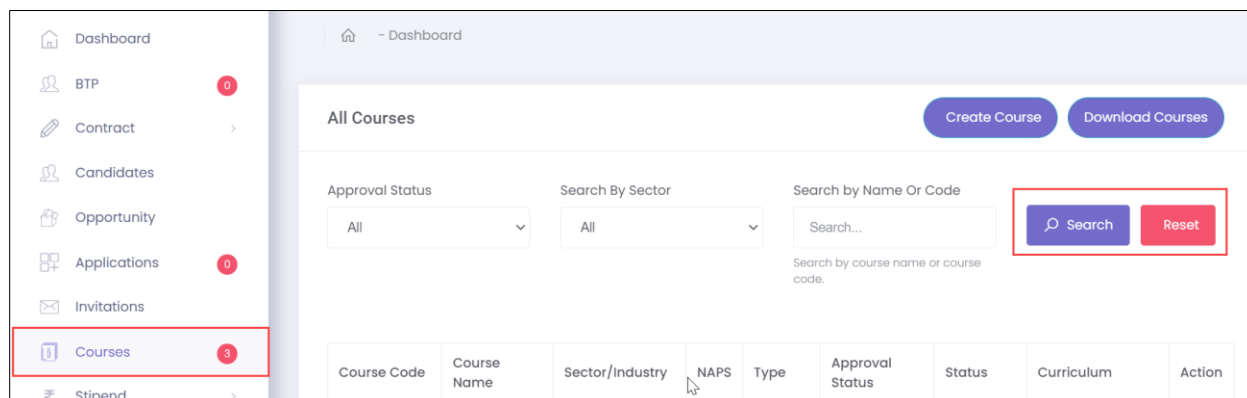

- Course
 - Create a Course
 - Submit for Approval
 - View Course Details
- Approve Course
 - Send Back For Modification
 - Reject
 - Disable
 - Enable
- Change Status
- Edit Course

2 Course

The **All Courses** screen displays all the courses created by the respective logged in users such as establishment, TPA, Sector Skill Council (SSC), and NSDC.

To Navigate

Home - - > Dashboard - - > Courses

| Course Code | Course Name | Sector/Industry | NAPS | Type | Approval Status | Status | Curriculum | Action |
|-------------|-------------|-----------------|------|------|-----------------|--------|------------|--------|
|-------------|-------------|-----------------|------|------|-----------------|--------|------------|--------|

- The **All Courses** screen lists all the courses created along with the details such as Course Code, Course Name, Sector/Industry, NAPS, Type, Approval Status, Status, and also allows the establishment to view the Curriculum.
- The users (establishment, TPA, SSC, and NSDC) can search for the required course by Approval Status, Search By Sector, and Search by Name Or Code, and click **Search**.

Additional Information:

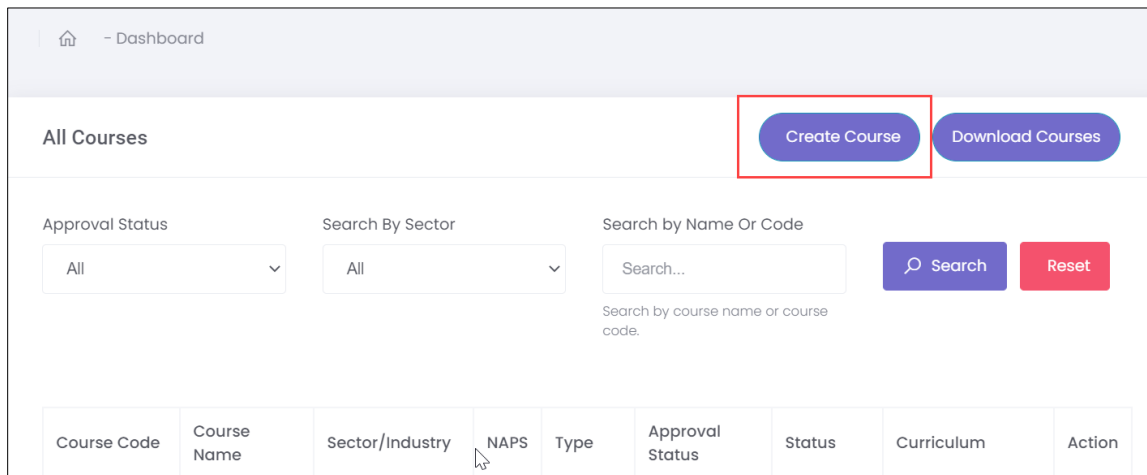

- The TPA can create a course, only by getting into the ecosystem of an Establishment (with mutual association).
- The courses under Designated Trades are NCVT certified and are implemented by DGT through RDSDEs.
- The courses under Optional Trades are industry and/or SSC certified and implemented by NSDC through SSCs.

2.1 Create Course

The **Create Course** screen allows the users (establishment, TPA, SSC, and NSDC) to create the required courses.

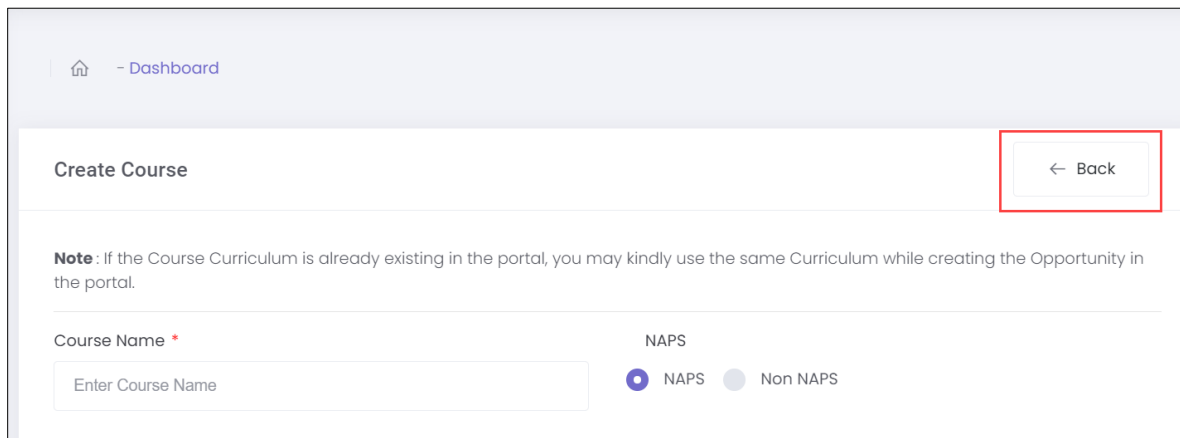

To Navigate

Home --> Dashboard --> Courses --> Create Course

The screenshot shows the 'All Courses' dashboard. At the top, there is a breadcrumb trail: Home > Dashboard > Courses > Create Course. Below this, there are two buttons: 'Create Course' (highlighted with a red box) and 'Download Courses'. Below the buttons, there are search filters: 'Approval Status' (set to 'All'), 'Search By Sector' (set to 'All'), and 'Search by Name Or Code' (with a search input field and a 'Search' button). Below the search filters, there is a table with the following columns: Course Code, Course Name, Sector/Industry, NAPS, Type, Approval Status, Status, Curriculum, and Action.

- The **All Courses** screen allows the user (establishment, TPA, SSC, and NSDC) to create the required course. Click **Create Course**, the **Create Course** screen appears.

The screenshot shows the 'Create Course' screen. At the top, there is a breadcrumb trail: Home > Dashboard > Create Course. Below this, there is a 'Back' button (highlighted with a red box). Below the 'Back' button, there is a note: 'Note: If the Course Curriculum is already existing in the portal, you may kindly use the same Curriculum while creating the Opportunity in the portal.' Below the note, there is a form with the following fields: 'Course Name' (with a red asterisk), 'Enter Course Name' (input field), and 'NAPS' (radio buttons for 'NAPS' and 'Non NAPS').

- The **Create Course** screen allows the users (establishment, TPA, SSC, and NSDC) to enter the course details in **four** sections as listed below.

- Course Details
- Minimum Qualification Required
- Training Blocks
- Basic Training Exemption Criteria

- The **Course Details** section allows the user (establishment, TPA, SSC, and NSDC) to enter the details of the course such as Course Name, NAPS (NAPS/Non NAPS), Proposed NSQF Level, Sector/Industry, QP(NOS) / Module, Passing percentage for Practical (On the Job Training), Passing percentage for Theory (with/without Basic Training), Description and also allows the establishment to upload the Curriculum.

3.4 Enable

The **Enable** section allows the user (SSC and NSDC Admin) to enable the disabled courses.

To Navigate

Home - - > Dashboard - - > Courses - - > All Courses - - > Action - - > Enable

The screenshot shows the 'All Courses' interface. At the top, there are buttons for 'Create Course' and 'Download Courses'. Below these are search filters for Scope, Approval Status, Search By Sector, and Search by Name Or Code. A table lists courses with columns: Course Code, Course Name, Sector/Industry, NAPS, Type, Approval Status, Status, and Curriculum. The first row shows a course with Code 'CO012100015', Name 'TW Basic', Sector 'Agriculture', NAPS 'Yes', Type 'Optional', Approval Status 'Approved', and Status 'Disabled'. A red box highlights the 'Disabled' status, and another red box highlights the 'Enable' option in the action menu.

| Course Code | Course Name | Sector/Industry | NAPS | Type | Approval Status | Status | Curriculum | Action |
|-------------|-------------|-----------------|------|----------|-----------------|----------|------------|--|
| CO012100015 | TW Basic | Agriculture | Yes | Optional | Approved | Disabled | | View Reject Enable |

➤ Click **Enable**, the following screen appears.

The screenshot shows a confirmation dialog box with a large orange exclamation mark icon. The text reads 'Are you sure?' followed by 'You want to enable'. At the bottom, there are two buttons: 'Yes, enable it!' (highlighted with a red box) and 'No'.

➤ Click **Yes, enable it!**, the **Course Enabled successfully** message appears.

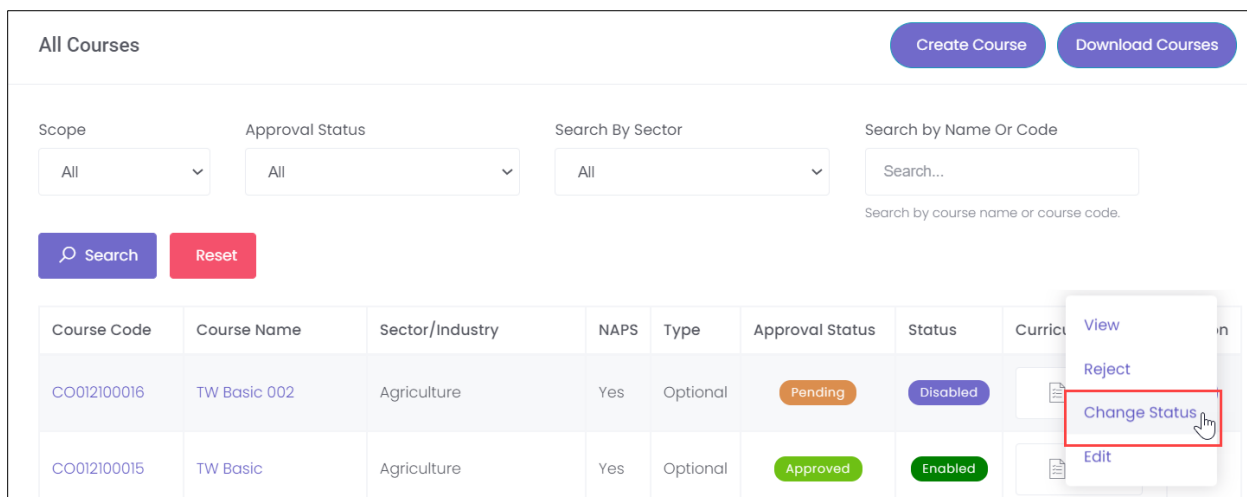

NOTE: The NSDC Admin and SSC can enable the **approved** and **disabled** (NAPS and Non-NAPS) courses.

4 Change Status

The **Change Status** allows the NSDC admin to approve or reject the course created.

To Navigate

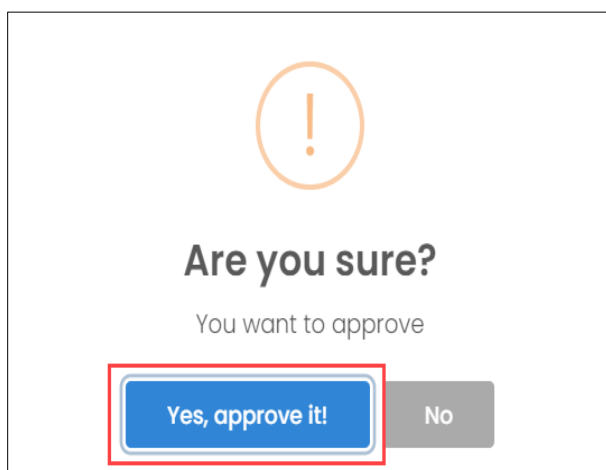

Home --> Dashboard --> Courses --> All Courses --> Action --> Change Status

The screenshot shows the 'All Courses' interface. At the top, there are buttons for 'Create Course' and 'Download Courses'. Below these are search filters: 'Scope' (All), 'Approval Status' (All), 'Search By Sector' (All), and 'Search by Name Or Code' (Search...). A 'Search' button and a 'Reset' button are also present. The main table lists courses with columns: Course Code, Course Name, Sector/Industry, NAPS, Type, Approval Status, Status, and Curriculum. Two courses are visible: 'CO012100016' (TW Basic 002, Agriculture, Yes, Optional, Pending, Disabled) and 'CO012100015' (TW Basic, Agriculture, Yes, Optional, Approved, Enabled). A context menu is open over the first course, showing options: View, Reject, Change Status (highlighted with a red box and a mouse cursor), and Edit.

| Course Code | Course Name | Sector/Industry | NAPS | Type | Approval Status | Status | Curriculum |
|-------------|--------------|-----------------|------|----------|-----------------|----------|------------|
| CO012100016 | TW Basic 002 | Agriculture | Yes | Optional | Pending | Disabled | |
| CO012100015 | TW Basic | Agriculture | Yes | Optional | Approved | Enabled | |

- Click **Change Status**, the following screen appears.

- Click **Yes, approve it!**, the **Course Approved Successfully** message appears.

NOTE: The NSDC Admin changes the status of the self-created (NAPS and Non NAPS) courses from Pending and disabled to approved and enable.

5 Edit Course

The **Edit Course** section allows the user (SSC, and Establishment) to update the courses sent back for modification.

To Navigate

Home --> Dashboard --> Courses --> All Courses --> Action --> Edit
